A: Thanks so much for taking me to one of the best farmers' markets in this area this morning! I've loved going to those kinds of places since I was young.

B: \_\_\_\_\_ 4 \_\_\_\_\_

A: That's true. In a high-rise apartment building. You can find farmers' markets everywhere, though, including in urban areas like where I'm from.

B: So, what did you think about the one we went to today? Was it different from the markets you've been to before?

A: Not really. The quality of products and friendly atmosphere were the same. I guess the only real differences were related to the \_\_\_\_\_ 5 \_\_\_\_\_.

B: What do you mean?

A: Well, the climate is different, so naturally the variety of products available is, too. And things are generally a lot cheaper here.

B: The cheese, beef, and salad dressings weren't inexpensive.

A: I know. But other than that, the other local products were priced much lower than what I see in my hometown and here in the supermarket.

B: What were the best bargains you saw overall?

A: Um, I'd probably say the \_\_\_\_\_ 6 \_\_\_\_\_.

B: The last two you mentioned don't surprise me, but was the fish and so forth really well priced, too?

A: It was! There's a port around five minutes away from the market.
